

**"Our library is at the absolute heart of our school reading culture.**

It's the first thing that people see when they enter and the last thing that people see when they leave. It's somewhere that our pupils, staff and parents just love to be and something that we're all very proud of."

## **John Biddle**

2018 Egmont RfP Teacher of the Year  
Patron of Reading Coordinator  
UKLA National Council Member
